Name:

Katie Hufton

Gender:

Female

School Name:

Greenfield Primary School

Year Group:

Year 3

Which engineer inspired you?

Steven Murgatroyd

What company does your engineer work for?

Unity Partnership

This invention solves a problem that people struggle with. I see elderly people in Tesco Asda and Morrisons trying to get there shopping off the shelves but they can't. How it works it has an up and down buttons so they can reach there shopping. This wheelchair is special because I want to help elderly people and I'm a kind and helpful person.
