

IF YOU WERE AN **ENGINEER** WHAT WOULD YOU DO?®

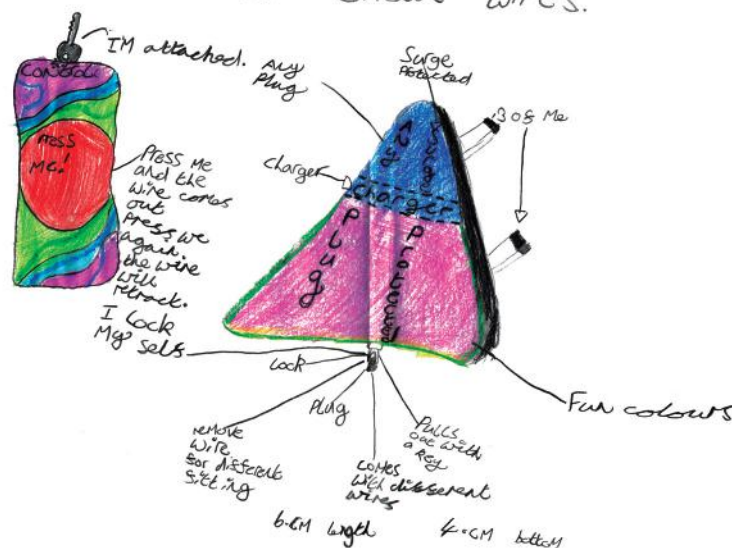

Burnley Leaders Award 2019
Winner, Year 3

Project 4 Suck-Up Charger

This is a charger that has a wire that only pulls out with a small key. It is for anyone and it can use any plug. It is portable and practical. ^{Spice}

Project 4 Suck up charger.

My cat chews wires.

Name: Sophie Goldsworthy
Gender: Female
School name: Wheatley Lane Methodist Primary School
Year group: Year 3
Which engineer inspired you? Vicky Goldsworthy
From which company? Futaba

The 'Project 4 Suck Up Charger' is to prevent damage to wires (mainly by pets!). The wire will be contained inside the charger and only comes out when you press a button.
