

IF YOU WERE an **ENGINEER** WHAT WOULD YOU DO?®

Central England Leaders Award 2019
Winner, Reception

Super Water Slurper

Name: Harry Stewart
Gender: Male
School name: Short Wood Primary School
Year group: Reception
Which engineer inspired you? Leanne Mee
From which company? STEM Workshop

The "**Super Water Slurper**" sucks water from a stream and into a bucket. The invention negates the need for standing in the stream to wash your hands!
