

IF YOU WERE an **ENGINEER** WHAT WOULD YOU DO?®

Central England Leaders Award 2019
Winner, Reception

Oscar's Laser Bird Feeder

Name:	Oscar Hinks
Gender:	Male
School name:	Short Wood Primary School
Year group:	Reception
Which engineer inspired you?	Leanne Mee
From which company?	STEM Workshop

"Oscar's Laser Bird Feeder" uses a laser as a sensor to know when and where a bird is using the feeder. The feeder will help the birds so they won't get hungry again!
