

IF YOU WERE an **ENGINEER** WHAT WOULD YOU DO?®

East England Leaders Award 2019
Winner, Year 7

Under Water Mapping Device

Underwater mapping device (larger than life)

Name:	Eva Gosling
Gender:	Female
School name:	Ralph Sadleir Academy
Year group:	Year 7
Which engineer inspired you?	Mark Gosling
From which company?	Airbus

'Underwater Mapping Device' the design maps underwater caves and trenches problematic to humans who like to explore the sea. The mapping contains a tracker which shows the problem areas to avoid. It will help to explore and learn more about the sea and animals in it which would otherwise be impossible without the mapping device.
