

IF YOU WERE an **ENGINEER** WHAT WOULD YOU DO?®

Greater Manchester Leaders Award 2019
Winner, Year 8

My Dementia Friend

My Dementia Friend

Name: Diya Nair
Gender: Female
School name: Altrincham Grammar School for Girls
Year group: Year 8

'The My Dementia Friend' is a device that keeps a track on people with dementia if they leave home. It also holds details on who they are and where they live if they are found outside and are disoriented. It also has a tracking device that is linked to an app, and it can be consulted by the wearer to remind them of what they like and when to do things.
