

IF YOU WERE an **ENGINEER** What WOULD YOU DO?®

Greater Manchester Leaders Award 2019
Winner, Year 9

Healthy Mind App

This app is designed to let members of family know what other members of the family are feeling

Name:	Hannah Miles
Gender:	Female
School name:	Stockport School
Year group:	Year 9
Which engineer inspired you?	M. Guy
From which company?	United Utilities

'The Healthy Mind App' is a watch for children with (some special needs) checks the pulse rate of the wearer and sends a message via the app to parents to alert them if their child is becoming agitated or unwell. They can then contact the child or teacher/carer to help reduce the problem.
