

# IF YOU WERE an **ENGINEER** WHAT WOULD YOU DO?®

**East England Leaders Award 2019**  
Winner, Year 4

## Snorb

Name:	Hamzah Malpas
Gender:	Male
School name:	The Science Shack STEM Club
Year group:	Year 4
Which engineer inspired you?	Michael Braisher
From which company?	Jaguar Land Rover

The '**Snorb**' is for a device that can roll through the snow and transport people where other vehicles fail. The driver sits in a level position as the vehicle rotates around them. A lever controls the length of the spikes required depending on the depth of snow.
