

IF YOU WERE an **ENGINEER** WHAT WOULD YOU DO?[®]

Lancashire Leaders Award 2019
Winner, Year 2

Special Tub

Name: John Croston
Gender: Male
School name: St. Andrews C of E Primary School
Year group: Year 2

The '**Special Tub**' is to help prevent overflowing the bathtub. It also helps to regulate the temperature to your preference. There is a special tap that releases bubble bath, sensors in the water to test the temperature and a remote control for the settings.
