

IF YOU WERE AN **ENGINEER** WHAT WOULD YOU DO?®

Lancashire Leaders Award 2019
Winner, Year 6

The Automatic Flower Pot

Name:	Nell Rastelli
Gender:	Female
School name:	Croftlands Junior School
Year group:	Year 6
Which engineer inspired you?	MIKE JESCHKE
From which company?	SIEMENS

The 'Automatic Flower Pot' is a plant pot created to water plants, weigh them, and estimate life left of the plant. There is an application to download to control the shower head which is attached to the pot and will water your plants for you. The remaining controls will weigh the plant and provide an estimate of life left.
