

IF YOU WERE AN ENGINEER

WHAT WOULD YOU DO?®

South East England Leaders Award 2019
 Winner, Year 8

Time Drops

Aseel Elshaiikh

Name: Aseel Elshaiikh
Gender: Female
School name: Chelmsford County High School
Year group: Year 8
Which engineer inspired you? Mr D Crane
From which company? BAE SYSTEMS

The 'Time Drops' design is an application containing a schedule and timer. You enter the tasks required and the amount of time to complete. Water fills the screen once you input the data and when the time is over, you receive coins which can be used to donate water to countries in need.
