

IF YOU WERE an **ENGINEER** What WOULD YOU DO?®

**South East England Leaders Award 2019
Winner, Year 2**

Red Alphabet Bottle

"Water bottle that helps you learn the alphabet. A big bottle to encourage people to drink more to reveal the next letter"

Name: Harry Mackins
Gender: Male
School name: St. Crispin's Infant School (Westgate)
Year group: Year 2
Which engineer inspired you? Rachel Kirkwood

The '**Red Alphabet Bottle**' is designed to help people learn the alphabet and drink more. Once someone drinks from the bottle, it will reveal a letter, encouraging people to take on more fluids.
