

IF YOU WERE AN **ENGINEER** WHAT WOULD YOU DO?®

**South West England Leaders Award 2019
 Winner, Year 7**

Ironing Glove

Name:	Natasha Broad
Gender:	Female
School name:	Hugh Sexey C of E Middle School
Year group:	Year 7
Which engineer inspired you?	Miriam Cristofolletti
From which company?	University of the West of England

The '**Ironing Glove**' is a handheld steaming glove which should help to prevent cleaning products from being used which are thrown into a landfill and are not environmentally friendly. It is used to destroy bacteria without using harmful chemicals. The glove connects to a rechargeable battery which provides the heat and a water source that provides steam.
