

IF YOU WERE AN **ENGINEER** WHAT WOULD YOU DO?®

Central England Leaders Award 2019
Winner, Year 6

Traffic Light Stop

Name: Tamzin White
Gender: Female
School name: Cheadle Primary School
Year group: Year 6
Which engineer inspired you? Mr W. Beardmore
From which company? JCB

“Traffic Light Stop” will prevent elderly and disabled people from being run-over at traffic lights. This wireless invention, worn by the owner, is connected to the traffic lights to make them stay on Red for longer than they normally would.
