

# IF YOU WERE an **ENGINEER** WHAT WOULD YOU DO?®

**North East England Leaders Award 2019  
Winner, Year 3**

## Voice Activated Bathroom

**Name:** Cameron Haydon  
**Gender:** Female  
**School name:** Newcastle High School for Girls Junior School  
**Year group:** Year 3  
**Which engineer inspired you?** Mr P Gould  
**From which company?** P & G

This highly functional bathroom embraces voice activation technology to reduce cross contamination of germs and allergens in a multi-user environment. There is no need to hand-operate any of the bathroom facilities and encounter or pass on germs.
