

IF YOU WERE an **ENGINEER** WHAT WOULD YOU DO?®

**North East England Leaders Award 2019
Winner, Year 1**

Alien Plastic Waste Toy Maker

Name:	Samuel Dresser
Gender:	Male
School name:	Dame Allan's Junior School
Year group:	Year 1
Which engineer inspired you?	Mark Jackson
From which company?	MJ Associates

This wonderful device will encourage children to recycle their old and broken plastic toys as it makes new ones from the donated materials. The plastic is fed into the machine and cleaned, melted and reformed into a toy selected from the many options on the display panel.
