

IF YOU WERE AN **ENGINEER** WHAT WOULD YOU DO?®

Tees Valley Leaders Award 2019

Winner, Year 4

The Turbo Scanner

Name: Imoshi Soyza
Gender: Female
School name: Oakdene Primary School
Year group: Year 4
Which engineer inspired you? Eleanor Davies
From which company? Burrohappold Engineering

'The Turbo Scanner' device quickly scans food items to detect if they are fresh, damaged or starting to go off. This will prevent people from getting food poisoning.
