

# IF YOU WERE an **ENGINEER** What WOULD YOU DO?®

**Tees Valley Leaders Award 2019**  
**Winner, Year 3**

## Hot or Cold Which One

Name:	Isabella Hinchcliffe
Gender:	Female
School name:	Oakdene Primary School
Year group:	Year 3
Which engineer inspired you?	Eleanor Davies
From which company?	Burrohappold Engineering

The '**Hot or Cold which one?**' is a robot that monitors you while to ensure that you get an uninterrupted sleep. If you are too hot it opens a window and if you get too cold it will cover you up and turn the heating up.
