

# IF YOU WERE an **ENGINEER** WHAT WOULD YOU DO?®

**Jersey Leaders Award 2019**

**Winner, Year 4**

## The Robotic Swing

|                              |                    |
|------------------------------|--------------------|
| Name:                        | Erin Murray        |
| Gender:                      | Female             |
| School name:                 | St. Peter's School |
| Year group:                  | Year 4             |
| Which engineer inspired you? | Daniel Gough       |
| From which company?          | WSP UK Ltd         |

“The Robotic Swing” which is, partly, a solar-powered playground attraction (the Easy Swing) but can also be powered by a hard swing kinetic energy facility produced from a weighted seat.
